¹ A unit is defined as a dwelling designed to accommodate a single household. This applies to single-family residences, twin unit homes, condominiums, and apartments. Therefore, the fee is based on the number of unites to be built (i.e. an apartment building that contains 10 apartments will have a fee based on ten units). ²Additional fees may apply related to substantial Incompleteness or additional processing, as applicable.

Erie Co. Conservation District (District) E&S Review Policy

- 1) The information listed within the **Erie County Conservation District Policy Rules & Guidelines Related To E&S Pollution Control Plan Permit Reviews (District Guidelines)**, applies to all application received in the District and should be fully reviewed.
- 2) The preceding fees will be charged by the Erie County Conservation District for technical reviews of Erosion and Sediment Pollution Control Plans, as authorized by Act 217 and the delegated agreement with the PA DEP.
- 3) Only administratively complete applications containing the required fee, District application form, and location map will be accepted for technical review (see District Guidelines for additional guidance).
- 4) Review fees shall apply to all plans that are submitted to the District requesting E&SPC plan adequacy, except as noted within. (Effective January 1, 2018)
- 5) The fees are intended to cover the initial review of a project, as well as one review of the subsequent revision, if submitted within 60 days of a deficiency letter.
- 6) E&SPC Review Fees *may* be waived for an application filed under the name of United States of America or Municipalities of the Commonwealth of Pennsylvania (see District Guidelines for additional guidance). Fees for authorities of the Municipalities are not waived. This includes, but is not limited to: sewer and water, housing, school districts, and universities, etc.
- 7) The District fee should not be combined with any other municipal or county fee. The canceled check will be the Applicant's receipt unless one is requested.
- 8) A site requiring a District plan review may not begin earthmoving activities until the Erosion and Sediment Pollution Control Plan has been approved by the District technical staff.
- 9) Checks should be made payable as indicated below. A \$40.00 charge will be assessed for any check refused by the bank for insufficient funds, and the entire application package will be returned to the applicant.

Please make E&SPC review fees payable to: **Erie County Conservation District**
NPDES Administrative Fee, make checks payable to: **ECCD Clean Water Fund**
NPDES per acre Fee, make checks payable to: **Pennsylvania Clean Water Fund**
Chapter 105 General Permit Administrative Fee, make checks payable to: **ECCD Clean Water Fund**

I affirm that a person trained and experienced in Erosion and Sediment Pollution Control methods and techniques has prepared the above referenced plan. I understand and agree to the above requirements, as well as those contained in the District Guidelines document. This application also authorizes the Erie County Conservation District to enter the site and make inspections as necessary.
