

A great opportunity for middle school teams to challenge each other and their knowledge of our natural resources! This free event includes a fun-filled day at Headwaters Park, engaging in interactive learning stations and competing for the regional title! Please visit www.erieconservation.com or call 825-6403 for further information.

Middle School Envirothon

May 11th, 2017

Headwaters Park, Erie County Conservation District
